

COMMERCIAL MATTERS.

Sales at the Stock Exchange—JAN. 20.

The attention of taxpayers is called to the circular of John Mack, esq., Collector, published in another column.

The Sheriff has recently levied upon the property of several City Banks, which have declined to pay the taxes of 1863 until they can ascertain whether they are legally levied. The cases are similar to that of the Commonwealth Bank and others, which refused to pay taxes upon capital invested in United States stocks.

The business of the Sub-Treasury was: Receipts, \$2,724,394.06 for Customs, \$235,000; Payments, \$2,629,985.28; Balance, \$92,327.339.43.

The Rock Island Road has made a running arrangement with the Mississippi and Missouri Road for twenty years, and has also agreed to buy a certain amount of the bonds of the latter Company, the proceeds to be applied to extending the Mississippi and Missouri Road west to meet the Pacific Road. The Rock Island Company agrees to allow the repurchase of these bonds at stated price. The arrangement secures the Rock Island a valuable addition to its business by a present sacrifice of large dividends.

Money has been active at 7 1/2 cent, and a good deal has been done at higher rates. Borrowers, carry on stock operations, do not stand about rates of interest, and for the moment are able, by their profits, to pay liberally for accommodations. There have been fresh rumors in circulation to-day of more legal-tenders, but they have no foundation that can be traced.

RAILWAY TRAFFIC—SECOND WEEK IN JANUARY.

The deposits for the 5-20s were over \$1,100,000 to day, and would have been more for the trouble of getting plain legal tender notes of which the bank resources in New-York is said to be reduced to \$15,000,000. Interest bearing notes are received at their face only, and no abatement allowed of 4th. Parties paying them in get a bank paying 6 1/2 cent in gold, by losing interest in currency from December 1, say 51 days.

The Home Insurance Company will pay on demand 5 1/2 cent dividend and 12 1/2 cent extra dividend, free of tax. The Broadway Savings Institution will pay its interest on the 1st of January. The Hudson River Railroad will pay, on the 1st of February, the interest on its first mortgage bonds. The Lawrence Coal and Oil Company will pay, on the 1st of February, the coupons on its first mortgage bonds. The St. Nicholas Bank will pay, on the 1st of February, a semi-annual dividend of 4 1/2 cent. The Broadway Insurance Company will pay, on the 1st of February, a semi-annual dividend of 4 cent, free of tax. The Merchants' Insurance Company has declared a semi-annual dividend of 10 1/2 cent, free of Government tax, leaving a surplus of \$107,000, and no unpaid losses.
